*Dear Community Patrons of the Arts,*

This year marks the 36<sup>th</sup> Season of our Chorale. It is with great pleasure that we present a rich and varied program for your enjoyment. The *"Bluegrass Mass"* in December and *"A Celtic Celebration"* in March are two of the highlights of this upcoming season. I think you will find them to be part of a very special season.

In addition to our regular concerts, the Chorale will be participating in the Kennedy Center's annual *"Messiah Sing-along"* in December. I hope you will have an opportunity to take part in this exciting event, either as an audience member or as a singer. Our "Outreachers" continue to serve the community by singing in area nursing homes three times each month, as well as at the VA Hospital in Washington, D.C.

We are also delighted to include the Northern Virginia Community College Annandale Chorale as a feature of our concerts. These music majors and students, who share with us a love of singing, will perform as part of our December and March programs. I know you will enjoy hearing these young, enthusiastic performers.

I would like to invite you to consider becoming a season ticket holder, as well as a Chorale patron. I believe we offer an excellent value; and, with your support, we can continue to bring exciting concerts to Northern Virginia. We follow a simple formula: *"great choral music + very talented and well-rehearsed singers and instrumentalists = a memorable concert for you, our deserving community audience."*

I look forward to seeing you at our concerts this season. Thank you for your continued support.
